

New Bank Account for Subscription Payments

All members will have recently received a letter with their copy of the OB Magazine informing them about a new sort code and account number for payment of their subscriptions.

- If you do **NOT** bank with HSBC, all you have to do is change the sort code and account number (details below) of your existing standing order, leaving your reference number unchanged.
- You can do this
 - A) yourself if you have Internet banking, or
 - B) phone or visit your bank and ask them to amend the sort code and account number, or
 - C) contact the Subscription Secretary (details on page 3 of the Magazine) and request a form which you can fill in and return to him. Alternatively, the form may be downloaded from the home page of the website
- If you **DO** bank with HSBC you will already have been notified by them that your standing order has been cancelled.
 - A completely new standing order will therefore need to be set up.
 - In addition to the new sort code and account number below, you will also need to quote your payment reference number. This number was mentioned in the letter you received from HSBC, but if you need a reminder please contact the Subscription Secretary.
 - To set up a new standing order, please proceed as in A), B) or C) above.

New sort code: 40-13-47

New account number: 50107301

Thank you for your understanding and cooperation.
